

Announcing The Chai Society at the Merrick Jewish Centre...

...bringing together individuals committed to perpetuating the MJC as the center of Jewish life on the South Shore.

Colleges, museums and many synagogues have large endowments that provide annual income to support essential operations. A meaningful endowment at MJC allows us to continuously deliver, at a level of excellence, the spiritual, educational, cultural and social programs, experiences and opportunities to which we have grown accustomed.

Participating is easy. Just give MJC permission to charge your credit card on a monthly basis. If even 100 congregants join the Chai Society, we will be able to grow the Endowment by more than \$20,000 each year!

Special recognition will be prominently displayed with the names of participating members. Your giving above and beyond annual dues is worthy of distinction!

Please join the growing number of your fellow congregants who have already become members of the Chai Society. **Let's Build MJC's Future Together!**
